| No. 684.—Refers to Home Department No. 46, dated 7th January 1869, forwarding certain documents regarding the eligibility of Mr. D. G. Barkley, of the Bengal Civil Service, for two years' furlough to Europe. | | the 16th June 1868 for the grant of leave of absence to Covenanted Civil Servants does not apply to the cases of Officers who were absent at the time of the promulgation of those rules on special leave on private affairs ... | 162 |
| Epitome of Mr. Barkley's services.—
The Accountant General's, Punjab, report is manifestly incorrect. Mr. Barkley by his actual service has indeed gained two years' furlough, but against this must be set off the amount of sick leave he has already had, namely, 15 months, thus leaving only 9 months to his credit. | | No. 798.—Letter to the Accountant General, North-Western Provinces, conveying replies regarding the various sections of the new Military Leave Rules ... | 162 |
| 2. Rule XXIX has no bearing on the point at issue. That rule merely declares the aggregate amount of leave remaining to be taken during an Officer's entire service. It in no way alters the rules in Chapter I for taking such leave ... | 138 | No. 832.—Letter from the Officiating Junior Secretary to the Government of Bengal, No. 223, dated 19th January 1868, submitting for decision questions arising under Sections XXX and XXXII of the Rules of the 16th June 1868 for the grant of leave of absence to Covenanted Civil Servants ... | 163 |
| No. 735.—Draws attention to the established Rule of the Administration that, when an Officer carries on the duties of more than one office, his entire salary, including acting allowances, must in no case exceed the salary of the most highly paid of the offices which he fills. The object of this rule is obvious; the Government does not desire to encourage the appointment of Officers to fulfil the duties of more than one office. | | No. 835.—Letter to the Accountant General, North-Western Provinces, that Covenanted Civil Servants when retiring from the service may be allowed the subsidiary leave which is admissible to them under Section XI of the Rules of the 16th June 1868 when they proceed on furlough, provided the leave can be granted without detriment to the public service ... | 164 |
| Instances have, however, occurred which lead to the supposition that the rule has either been forgotten or is supposed to have been affected by the recent re-organization of acting allowances. His Excellency in Council is pleased to declare that the rule is in full force, and that in future no departure from it will be permitted ... | 138 | No. 908.—Has reference to the letters shown on the margin.

The Government did not mean to authorize privilege leave to be added to and combined with the two months' examination leave, but merely to rule that this latter leave should not interrupt the reckoning for privilege leave, so that if entitled, an Officer might obtain privilege leave immediately on the expiration of the examination leave. It will in all cases be necessary for an Officer to rejoin his post after the expiration of the two months' examination leave, and no leave must be taken simply in continuation of such leave ... | 216 |

	On the second every attempt has been made to evade the rule. Privilege leave has been unhesitatingly granted to Officers, although it was known that at the conclusion of that leave they did not intend to do any more work for some time, but were about to proceed on leave of another kind. The formality of rejoining the appointment has been observed in letter, but the spirit of the rule has been broken by the nominal transfer of the Officer to a similar post in or near a Presidency Town, whence he could embark on longer leave. Despatch from Her Majesty's Secretary of State for India, No. 169, dated 29th April 1869.

Mr. S. S. Hogg,
a Member of the
Covenanted Civil

Service, and Chairman of the Justices of the Peace for the Town of Calcutta. The Justices being restrained from giving any absentee allowance to the Chairman which might cause a greater expenditure from the Municipal Fund than would have been incurred had no leave been granted.

Rules, that so far as the Government is concerned, Mr. Hogg and all Officers similarly situated should be allowed leave of absence on precisely the terms that would apply to them if they were Government servants; Municipal Corporations concerned in like cases should not be required to provide, on the whole, any allowances in excess of those which they pay when the Officer is present at his post; but that they should be invited to grant to the Officer whatever sum may be saved by the employment of a substitute on lower allowances than those received by the regular incumbent.

When this is done, Government should supplement the absentee allowance to bring it up to the amount to which, by the Rules of the Government service, the Officer would be entitled were he in the service of Government.

This decision having been confirmed by the Secretary of State for India, the Rule will be generally observed

NOTIFICATIONS.

Calcutta, the 30th November 1868.

Referring to the Postal Notice published,* under date the 5th August 1868, respecting the correspondence of Commissioned Officers of the Army conveyed to or from the United Kingdom by British packet, it is hereby notified for general information that paragraph 11† of the notice above referred to has been rescinded.

* Vide page 1394 of the Gazette of India of the 15th August 1868.

† Paragraph 11.—“Officers' letters received in India from the United Kingdom if addressed to the care of an Agent or any other person are not entitled to the foregoing privileges, but are liable to the ordinary rate of postage.”

2. The following ruling of Her Majesty's Post Master General, given under date the 7th October 1868, is also published for general information, viz.:—

“The Treasury Warrant of the 27th September of last year relating to the postage to be charged on the correspondence of Military Officers does not, according to the construction placed upon it by this department, confer any privilege on letters other than those specifically addressed to, or actually sent by, the Officer himself.”

"It is accordingly considered that it is not open to an Officer, with the view of sending at the reduced rate a letter from his wife, to insert his name in the address as the sender, or for the Commanding Officer to affix his countersignature.

"On this ground it is held that no privilege applies in either of the following cases, viz., that of a letter addressed; for instance—

Mrs. Jones,
Care of Captain Jones,
Her Majesty's 1st Regt., N. I.,
Belgaum.

"or in that of one addressed—

Captain Jones,
Her Majesty's 1st Regt., N. I.,

HOME DEPARTMENT.

LEGISLATIVE.

The following Bill was introduced into the Council of the Governor General of India for the purpose of making Laws and Regulations on the 21st December 1868, and was referred to a Select Committee with instructions to make their report thereon in a month:—

No. 31 of 1868.

A Bill for the maintenance of the Rural Police in the North-Western Provinces.

WHEREAS it is expedient to make further provision for the maintenance of the Rural Police in the North-Western Provinces of the Presidency of Fort William and to define the law relating to the appointment and duties of village watchmen in those Provinces; It is hereby enacted as follows:—

I.—PRELIMINARY.

1. This Act may be called
Short title. “The Rural Police (North-Western Provinces) Act.”

2. Act No. II of 1865 (*to provide for the maintenance of the Rural Police in the territories under the government of the Lieutenant Governor of the North-Western Provinces and elsewhere*), and Act No. II of 1866 (*to amend Act No. II of 1865*), are hereby repealed.

3. This Act extends to every District in which Act No. II of 1865 was in force immediately before the passing hereof.
Extent of Act.

II.—TAXES.

4. Three kinds of taxes shall be leviable under this Act (that is to say)
Taxes leviable under this Act. 1°, a House Tax; 2°, an Estate Tax; and 3°, a Tax on Muáfi-dars, Sub-proprietors and Nazrándárs.

1°.—The House Tax.

5. The proprietor of every Muáfi, Nazrána or other estate situate in any District to which this Act applies shall have power to assess and collect in each year, from the occupant of every

house on such estate, a sum not exceeding one rupee.

The Collector of the District shall have power to determine what shall, for the purposes of this section, be held to be a house.

6. All sums assessed under section five shall be payable in advance for the revenue year next after the assessment, at the time when the first instalment of rents is ordinarily payable in that year for lands comprised in or adjacent to such estate.

7. All sums so assessed shall be recoverable as if they were rent of land:
Recovery of house-tax.

Provided that no person shall be liable to be ejected from any house in his occupation for non-payment of any such sum.

8. Any person assessed under section five, and unable to pay the amount of the assessment, may present a petition on unstamped paper to the Collector of the District, and such Collector may, if he thinks fit, remit wholly or in part the said assessment.
Petition against assessment.

All complaints of illegal collection under section five shall be cognizable by the Collectors of Land Revenue; and the provisions contained in Act No. X of 1859 (*to amend the law relating to the recovery of rent in the Presidency of Bengal*), section twenty-three, as to institution, trial and appeal, shall apply to complaints under this section.
Complaints of illegal collection.

2°.—The Estate Tax.

9. If, in any year, any such proprietor fails altogether to assess the sum mentioned in section five, or assesses under section five a sum which, in the opinion of the Collector of the District wherein the proprietor's estate is situate, is inadequate, it shall be lawful for such Collector to assess upon such estate a sum payable yearly by the proprietor thereof for the time being, and not exceeding in any year the amount which might have been assessed in the same year under the same section on the occupants of the houses in such estate, less ten per centum.
Power to Collector to assess estate of proprietor failing to make sufficient assessment.

10. It shall be lawful for the Collector, or for any officer making a settlement of land-revenue, to assess upon any Muáfi, Nazrána, or other estate situate in any District to which this Act applies, a sum to be paid yearly by the proprietor thereof for the time being not exceeding the aggregate amount of the sums payable in respect of such estate or by the occupants of the houses thereon under sections five and nine, less ten per centum.

Such assessment shall be in addition to the municipal cess or percentage (if any) levied for the maintenance of rural police on the land-revenue payable in respect of such estate.

11. The sum assessable under section ten may from time to time, with the sanction of the Local Government, be altered by the Collector or officer aforesaid.

3°.—The Tax on Muáfidárs, Sub-proprietors, and Nazránádárs.

12. Besides the assessments made under section ten, it shall be lawful for the Collector or for any such officer as aforesaid, to levy in the case of any Muáfi or Nazrána estate upon the Muáfidárs, or (where a sub-settlement has been made) on the Sub-proprietors, or on the Nazránádárs, a municipal cess on the estimated jama at the same rate as the estate would have been charged with, had it not been held under a Muáfi or Nazrána title.

13. The Local Government may from time to time prescribe by notification in the official Gazette, by what instalments and at what times the assessments payable under sections ten and twelve shall be paid, and all sums assessed under either of those sections shall be recoverable as if they were arrears of revenue.

III.—APPLICATION OF TAXES.

14. Subject to the orders of the Local Government, all taxes levied under this Act in any District shall, in the first instance, be applied to the maintenance of the Village Police in such District, and for the purpose of this section, 'maintenance' shall be deemed to include their wages, the price of all necessaries and accoutrements supplied to them, rewards and other incidental expenses.

The surplus (if any) may be applied by the Local Government, at its discretion, to the sanitary improvement of the District, or to any other useful purpose therein.

IV.—ACCOUNTS OF TAXES.

15. Accounts of the taxes levied under this Act and of the application thereof shall be kept by such persons and in such form, and shall be furnished at such times and to such officers as the Local Government shall, by rules to be published in the official Gazette, from time to time, prescribe.

16. Such accounts shall be open to public inspection at all reasonable times without the payment of any fee.

17. Any proprietor falling to comply with any rule made under section fifteen, shall be liable, on conviction before a Magistrate, to a fine not exceeding one hundred rupees, and every such fine shall when recovered be applied for the purposes of this Act in the District where it is imposed.

V.—VILLAGE WATCHMEN.

18. Every person authorized to nominate a person to the office of village watchman shall, within fifteen days after the occurrence of a vacancy in the office, nominate a proper person to the post, and communicate the nomination to the Magistrate of the District.

The person so nominated shall, after due enquiry into his age, character and ability, be appointed or rejected by such Magistrate at his discretion, or by some officer authorized by him in that behalf.

19. In default of such nomination within the said fifteen days, or if a nomination has been made but the nominee is rejected, the Magistrate of the District shall appoint such person as he thinks fit to the vacancy.

20. Any village watchman appointed under this Act shall be liable to perform within the limits of his village, and in addition to his other duties, all or any of the duties imposed on Police officers by Act No. V of 1861 (*for the regulation of the Police*); and for any neglect or disobedience in his official capacity, he shall be liable to the penalties which he would have incurred had he been a Police officer subject to the provisions of that Act and guilty of neglect or disobedience as the case might be.

VI.—MISCELLANEOUS.

21. The Local Government may, from time to time, make rules, consistent with this Act, for the guidance of officers in all matters connected with its enforcement.

All such rules shall be published in the local official Gazette.

22. The Lieutenant Governor of the North-Western Provinces and the Lieutenant Governor of the Panjáb may respectively, by notification in the local Gazette, extend this Act to any part of the territories for the time being under their respective governments;

and the Governor General of India in Council may, by notification in the *Gazette of India*, extend this Act to any Province for the time being under the immediate administration of the Government of India:

Provided that this Act shall have no operation in any village to which Act No. XX of 1856 (*to*

make better provision for the appointment and maintenance of Police Chaudkidars in cities, towns, stations, suburbs and bazars in the Presidency of Fort William in Bengal), or Act No. VI of 1868 (to make better provision for the appointment of Municipal Committees in the North-Western Provinces, and for other purposes), or any other special municipal law shall have been extended, so long as such Act or law continues in force in such village.

23. From the date of any such extension of this Act, so much of any rule having the force of law, in operation in the territories to which the extension is made, as is inconsistent with any provision of this Act, shall cease to have effect therein.

STATEMENT OF OBJECTS AND REASONS.

The Government of India has lately received from the Government of the North-Western Provinces a despatch of which the following is an extract:—

"When the Rural Police Act (Act II of 1865) was enacted, the provisions in force in respect of Khálsá estates were made applicable under section VIII to Muáfi and Nazrána villages.

"Those provisions were, first, a house assessment under that Act, and second, the 'municipal cess,' which is a percentage on the jama fixed at the settlement in discharge of the obligations of the proprietors for the entertainment of the village police. The manner in which this system works

* No. 29, dated 5th June 1868. will be gathered from the enclosed copy of a circular* lately issued by this Government on the subject.

"At the time the Act was passed, the municipal cess was fixed at 2½ per cent. of the jama. But this was found to be inadequate for the payment of an efficient village constabulary. It was in consequence raised, under the orders of the late Lieutenant Governor, to 3½ on the assets, or 7½ on the jama, which amount is found to be sufficient for the purpose, but not more.

"As, however, the former amount, according to the original rule, viz., 2½ per cent. on the jama, is entered in the Act as leviable from Muáfi estates, the Collector is unable to assess such properties at a higher rate. At the same time, it is obvious that whatever burdens for police purposes are borne by Khálsá villages, should equally be borne by Muáfi villages, that is, that they should contribute in precisely the same proportion."

The Local Government accordingly propose that, for section eight of the Rural Police Act, a section be substituted, which will be found in section 12 of the present Bill.

The Rural Police Act having already been once amended, namely, by Act II of 1866, it has been thought desirable to repeal and re-enact those measures instead of adding a third Act to the two in which the law on the subject is now contained.

NOTIFICATIONS.

Fort William, the 4th January 1869.

No. 47.

Read—

An endorsement of the Home Department, No. 4768, dated the 12th of December 1868, forwarding for consideration a copy of papers on the subject of the commutation into furlough of a portion of the sick leave taken by Mr. Tucker, of the Civil Service, and referring the question raised in paragraph 3 of the letter from the Government of Bengal.

RESOLUTION.—The Governor General in Council observes that it was not intended by the new rules that periods of service, which formerly counted as residence under old rules, should now be deducted from the completed residence of any officer, except in the case of one year's leave on sick certificate taken under old rules. In this latter case, a compensation or equivalent was sanctioned by the new rules in the shape of a reduction of the period of residence by one year. All other leave which has under old rules been actually credited as residence will still remain so credited, as, for instance, sick leave under the rules of May 1843, within Indian limits (comprising certain degrees of longitude and latitude). On this point the Home Department is referred to the Financial Resolution No. 3477, dated the 5th of November, which indeed relates only to qualification for furlough, but may *a fortiori* be considered as applying to qualification for pension, since what is actual service for furlough must be held to be "residence" for pension. Rule XVI. will, however, be strictly construed as regards leave granted after 1st July 1868.

ORDERED, that a copy of the above be communicated to the Home Department, the Comptroller General of Accounts, and to the several Provincial Accountants General and Deputy Accountants General in independent charge.

Also, that the same be published in the *Gazette of India*.

Mr. R. A. Sterndale, Assistant to the Deputy Commissioner of the Paper Currency, Lahore Circle, departed from Bombay on leave on private affairs to England on the 20th December 1868.

The 5th January 1869.

No. 118.

RESOLUTION.—The Governor General in Council, having had under consideration the position of the Assistant Commissioners in the Paper Currency Department, observes that while three* of these officers

* Mr. R. A. Sterndale, Assistant to the Deputy Commissioner of Paper Currency, Lahore.
Mr. W. Wells, ditto, Kurachee.
Mr. G. W. Chinn, LL. D., ditto, Nagpore.

are, the under-mentioned four have not yet been included in the classified grades of the Financial Department, viz.:—

	Salary. Rs.
Mr. A. R. Gordon, Assistant to the Commissioner of the Department of Issue of Paper Currency, Bombay ...	1,000
Mr. L. Berkeley, Assistant Commissioner of Paper Currency, in charge of the Exchange Department, Calcutta ...	1,000
Mr. F. Greenway, Assistant Commissioner of the Department of Issue of Paper Currency, Calcutta ...	600 to 800
Mr. H. Cowie, Assistant to the Deputy Commissioner of Paper Currency, Allahabad ...	400 to 600

2. With a view to remove this inconsistency, to improve the prospects of the officers concerned, and to secure a larger field for selection for vacancies in the Currency Department, His Excellency in Council is pleased to direct that the four officers last mentioned shall be graded in the classes of the Financial Department, the salaries of which correspond with their present salaries, viz., Messrs. Gordon and Berkeley in the third class, Mr. Greenway in the fourth class, and Mr. Cowie in the fifth class.

ORDERED, that the foregoing Resolution be published in the *Gazette of India*, and communicated to the Head Commissioner of Paper Currency, Calcutta, and to Messrs. A. R. Gordon, L. Berkeley, F. Greenway, and H. Cowie.

Financial Resolution No. 2703, dated the 29th September 1868, ruling that uncovenanted officers absent on privilege leave may draw their full pay during such absence, the acting allowances due to their substitutes being paid out of the general revenue.

Read—

A letter from the Officiating Accountant General, British Burmah, No. 3640, dated the 31st October last, enquiring whether the substitute of an uncovenanted ministerial officer absent on privilege leave shall be allowed full salary during the permanent incumbent's absence, in the event of a substitute not being obtainable on less pay, or only acting allowance under the rules applicable to officers of that class.

RESOLUTION.—The Governor General in Council observes that the existing rules for the grant of

acting allowances to uncovenanted ministerial officers are clearly not applicable now to the cases of substitutes for officers of this class absent on privilege leave, seeing that under orders of the 29th September last, uncovenanted officers generally are allowed to draw full pay during privilege leave, leaving no portion of their salaries available for their substitutes. His Excellency in Council is accordingly pleased, in supersession of all previous orders on the subject, to rule that an uncovenanted officer officiating for another uncovenanted officer shall be allowed, in addition to the full salary of his own appointment, a deputation allowance calculated at the following rates, viz., at the rate of 20 per cent. upon the monthly salary of the appointment officiated in, in all cases in which the salary of such appointment shall not exceed Rs. 2,000 per mensem, and in respect to all appointments of which the salary shall be more than Rs. 2,000 per mensem at the rate of 20 per cent. upon Rs. 2,000, and of 10 per cent. on the remainder.

2. When the officiating officer is one who holds no substantive appointment, the deputation allowance shall be at the rate of 50 per cent. on the salary of the appointment officiated in. These acting allowances will be granted only when it is found necessary formally to appoint a substitute for an absentee. It is not intended that any change of practice should be made in this respect.

ORDERED, that a copy of this Resolution be sent to the several Departments, Governments, and Provincial Accountants General and Deputy Accountants General in independent charge, and to the Comptroller General of Accounts, with an intimation to the Officiating Accountant General, British Burmah, that if, in the particular case referred to in his letter above quoted, the acting allowance sanctioned in this Resolution is not sufficient to procure a substitute, the privilege leave applied for must be refused as incompatible with the exigencies of the public service.

Ordered also, that the above Resolution be published in the *Gazette of India* for general information.

Financial Resolution No. 49, dated the 26th March 1862.
Financial Order No. 700, dated the 30th June 1868.

Read—

A letter from the Deputy Accountant General, North-Western Provinces, No. 6054, dated the 24th November last, enquiring whether a Covenanted Civil Servant on returning from leave and rejoining his station on the afternoon of the day on which his leave expired, and not resuming charge of his duties till the forenoon of the day following, has not exceeded his leave by one day, and thereby forfeited his salary for that day under the rules.

RESOLUTION.—In modification of previous orders on the subject, the Governor General in Council is pleased to rule that, when an officer's leave or time for joining an appointment to which no substitute or acting officer has been appointed, expires on a holiday, or on any day which falls within a recess

or a holiday of more than one day's duration, and he takes charge of his duties on the forenoon of the first working day following such recess or holiday, he shall be treated in regard to his allowances as if he had taken charge on the day on which his leave expired.

ORDERED, that a copy of this Resolution be sent to the several Departments, Governments, and Provincial Accountants General and Deputy Accountants General in independent charge, and to the Comptroller General of Accounts, for information and guidance.

Ordered also, that this Resolution be published in the *Gazette of India* for general information.

No. 6 of 1869.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India No. 405, dated the 24th November 1868, are published for general information :—

"4. The concluding paragraphs of your despatch raise a question as to the amount of pay and allowances which should be drawn by Departmental Officers who may be permitted to proceed to England for the purpose of acquiring professional information. You question the advisability of continuing full regimental and staff allowances to such Officers in addition to the other advantages which they enjoy; and you express an opinion that it would be a convenient and liberal arrangement to grant them the full Indian pay and allowances of their rank with half staff salary, the remaining

moiety being issued to the Officer officiating for them during their absence.

"5. I concur in this opinion; and the rule you suggest may be notified to the service, and made applicable to all Officers who may in future proceed to this country on special duty. It must, however, be distinctly understood that in no case will permission be accorded to Officers to visit England on duty, unless the exigencies of the public service imperatively require it."

No. 7 of 1869.—His Excellency the Governor General in Council is pleased, as a special case, to admit Havildar Noor Ahmed and Naick Moshum Ali, of the 2nd Punjab Infantry, to the 3rd Class of the Order of Merit, in consideration of the example of gallantry and devotion to their duty set by them to the men of their guard when it was attacked by a body of armed men near the Agrore Valley on the 11th August 1868, whilst on escort duty with a party of the Revenue Survey.

No. 8 of 1869.—The Right Hon'ble the Governor General in Council is pleased to notify for general information that Commissioned Officers holding the appointment of Barrack Masters will be required to vacate their appointments when proceeding on furlough to England, as these situations are not considered staff appointments tenable by an Officer absent on leave out of India.

TELEGRAPH DEPARTMENT.

NOTIFICATION.

Calcutta, the 22nd December 1868.

From the 1st of February 1869, all messages received into a Telegraph Office for despatch, must be stamped to the full value for all demands.

2. Telegraph Stamps will be procurable at all Telegraph Stations in any quantities, and at Civil Treasuries in quantities of the value of not less than Rs. 5 of labels at one time, provided that the quantity sold shall not include less than Rs. 10 worth of any particular value of Stamps.

3. Telegrams can be sent from Out-stations by post, but they must be enclosed in registered covers. At Stations where Telegraph Stamps are not procurable, they may be paid for by Postage Stamps at the rate of 17 annas to the Rupee. In such cases, the Post Office registration receipt will take the place of the ordinary Telegraph receipt. If any telegram be received insufficiently stamped, it will be returned bearing to the sender.

4. Telegraph Stamps are double headed, the object being that the upper half shall be returned on the receipt (whereby the sender receives a guarantee that his message has not been suppressed for the sake of the money), and the lower half shall be affixed to the message as voucher to Government that it has been pre-paid.

5. Proper forms on which to write telegrams are available at all Telegraph Stations gratis for messages written at the Office, or for sale at the following rates:—

		Rs.	A.	P.
Per 100	1	2	0
" 50	0	10	0
" 25	0	6	0
" 12	0	3	0

These forms will also shortly be obtainable at the same rates at all Treasuries.

6. The senders of telegrams must be careful to affix their Stamps on the spaces left blank for the purpose on the message forms, the upper half on the receipt, the lower half on the message, and to see that the Stamps are defaced with the Office Stamp which carries the name of the Office and date.

7. Telegraph Stamps cut in two, before being sent into a Telegraph Office, will not be accepted.

8. For rates of charge, see Notification on revised Tariff of the 20th September 1868.

9. Skeleton Maps of India showing the Telegraph Lines and Stations are procurable at most Telegraph Offices at eight annas each.
